## D. RIGHT VIOLATIONS WISE CASE MANAGEMENT/OUTREACH ACTIVITIES BY SOCIAL WORKERS

**Figure D-1.0**

Field engagements to provide access to services to RHs are not limited to visits to govt. officers only. They are contacted over phone and on occasions when they are unreachable or sick - Social workers also visit their Homes. The visits type help bifurcate the different approaches made to address different right violations. Right violations wise Food & Nutrition had maximum focus in terms of field engagements, accounting for 47% of all field engagements for the reporting period. The graph is arranged in descending order in terms of highest number of visits for a particular right violation to lower ones. It shows priorities have been Legal Support, Housing, Employment/Income Generation and Education and so on.

The Services received during **DB visits** are elaborated in following section (**Section D**).

## E. VISITS TO DUTYBEARERS

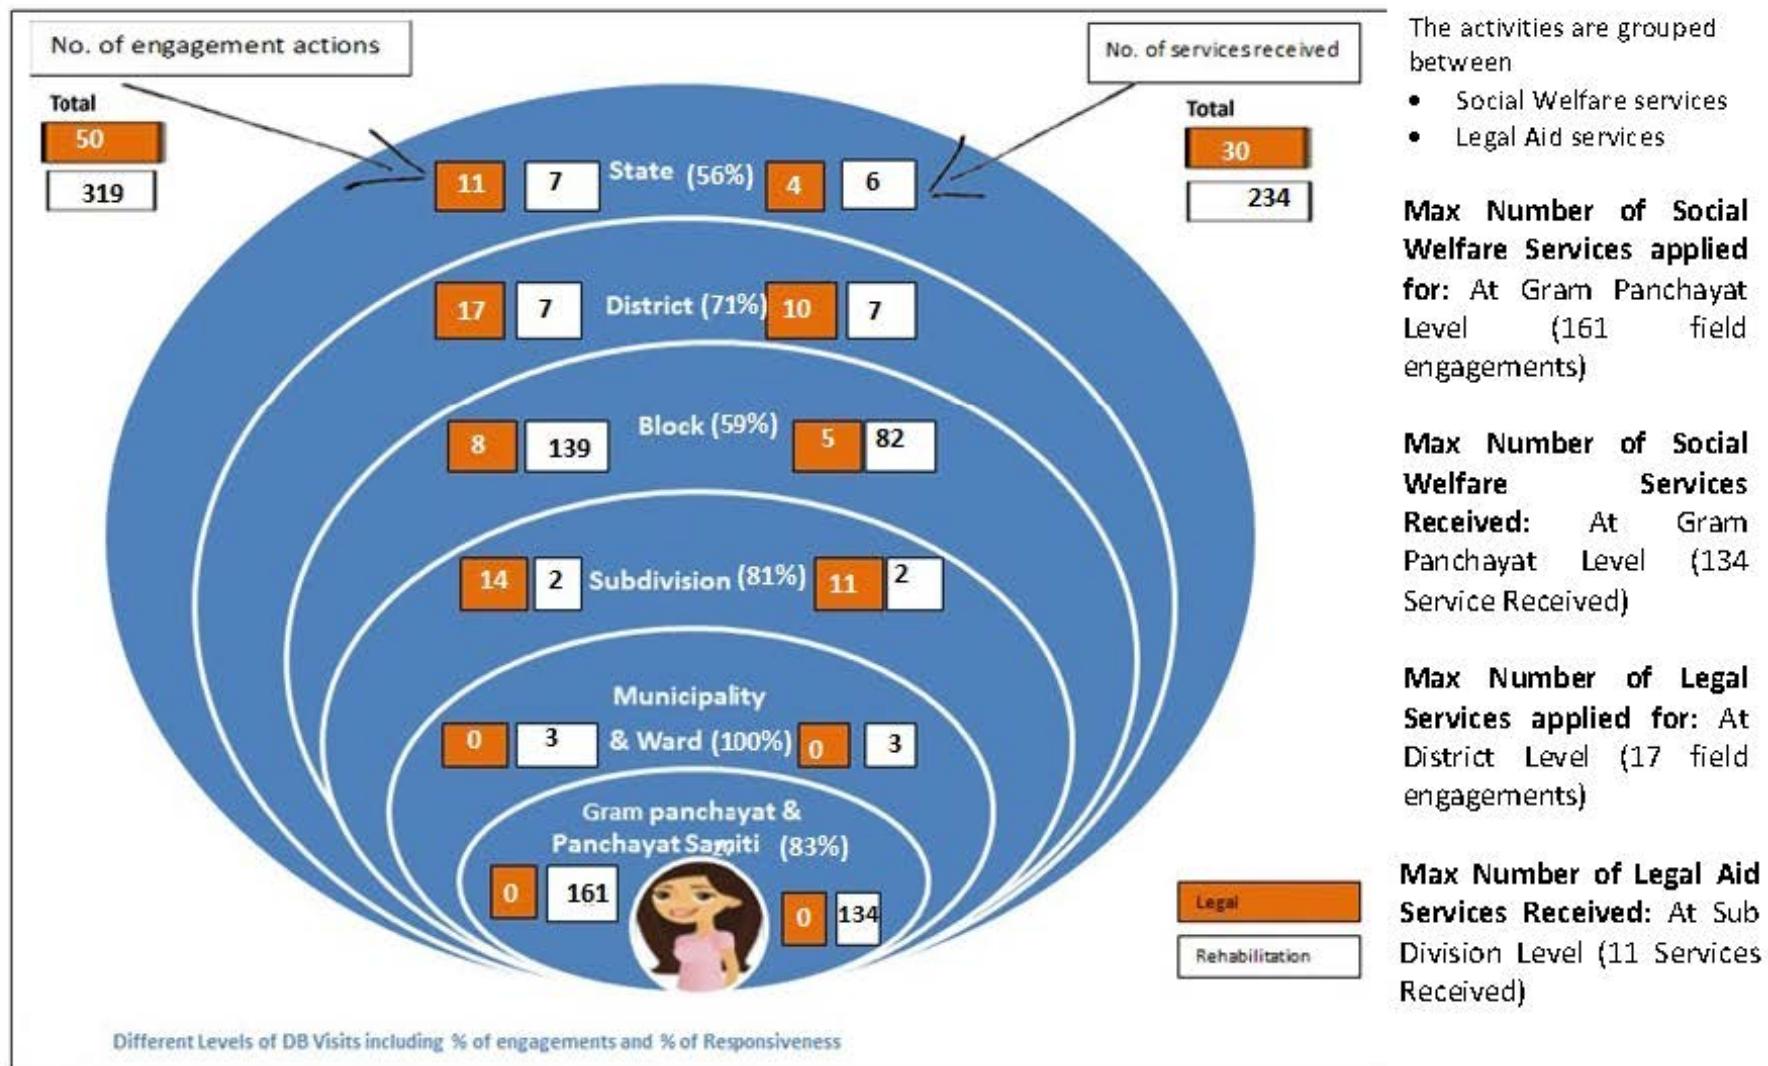

Figure E 1.0 Total OF 369 SERVICES RECEIVED THROUGH 264 APPROACHES MADE TO GOVT. OFFICERS ACROSS ADMINISTRATIVE LEVELS

**Note:** The % for responsiveness (calculated as no. of service received against no. of field visits) is given in brackets in the middle along with administrative blocks. For example: at Gram Panchayat Level, 161 field engagements took place; which resulted in 134 services. So, at Gram Panchayat level the responsiveness is calculated @83% for the month.

Sl. No.	Level Of Duty Bearer	Offices Approaches (Rehab)	% Of Responsiveness (Rehab)	Offices Approaches (Legal)	% Of Responsiveness (Legal)
1	Gram Panchayat	Anganwadi Worker, ASHA Worker, Auxiliary Nurse Midwife, CSP, GP Pradhan, Ration Dealer	<b>83%</b>	None Approached	<b>0%</b>
2	Municipality	Municipal Chairman, Executive Officer	<b>100%</b>	None Approached	<b>0%</b>
3	Sub-division	Medical Officer, Pathologist (Sub-division)	<b>100%</b>	ACJM, Lawyer-Subdivision Court, SDLSA Advocate	<b>79%</b>
4	Block	ANWESHA Counselor(Block), Bank Official, BDMO, BDO, BMOH, BLDO, Medical Officer (Block), Pathologist (Block), Psychiatrist (Block), School Inspector	<b>59%</b>	Investigation Officer, Assistant Sub Inspector, IC, Officer in-charge	<b>63%</b>
5	District	ART Counselor, CMOH, District Child Protection Officer, District Hospital Super, Medical Officer (District), Pathologist (District), Psychiatrist (District)	<b>100%</b>	ADJ, DLSA Advocate, DLSA Secretary, Lawyer-District Court, PP-District Court	<b>59%</b>
6	State	ICTC (State), Medical Officer (State), Pathologist (State), Psychiatrist (State)	<b>86%</b>	IO (CID), Lawyer - High Court, HC Judge	<b>36%</b>

Table E-1.0 Services Received; arranged in descending order of mitigation %

## F. NATURE OF SERVICES REQUIRED/APPLIED FOR VS. NATURE OF SERVICES RECEIVED

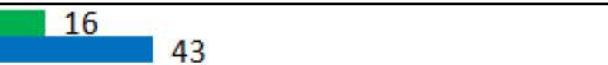

A. TYPE OF SERVICES	B. NO. OF FIELD OUTREACHES BY SWs to DBs+ RHs	C. NO. OF SERVICES RECEIVED/DELIVERED	D. (%) MITIGATION Service/Field Visits	E. % Mitigation (by no. of Survivors)
 Food & Nutrition	348	290	83%	(91%) 
 Clothes	9	5	56%	(63%) 
 Medical Treatment	77	28	36%	(37%) 
 House	83	26	31%	(37%) 
 Legal Support	112	30	27%	(44%) 
 Anti-Stigma Interventions	4	1	25%	(33%) 
 Mitigation of Mental Stress & Anxiety	50	9	18%	(35%) 
 Employment/ income generation	42	2	5%	(6%) 
 ID Documents	8	0	0%	(25%) 
 Education	5	0	0%	(0%) 
 Sanitation	4	0	0%	(0%) 
 Family Abuse	2	0	0%	(0%) 

Table F-1.0 shows the no. of field visits that had taken place in the reporting period (Column B) for each of the right violation while Column C shows the number of services received that were the results of the said field visits. The % of mitigation is calculated as no. of services received/delivered divided by no. of services required. (Column C / Column B) and the table is arranged *in descending*

*order of mitigation %.* To illustrate further: 348 field visits related to food & nutrition has resulted in 290 Food & Nutrition related services- the mitigation % being 83%. Column E shows the same but in terms of number of survivors. For Example, of 43 Survivors who sought medical Treatment- 16 received services; accounting for 37% of survivors who sought medical services.

**% of Survivors (Nos.) who received Social Welfare Services** 81% (SERVICE RECEIVED FOR SOCIAL WELFARE SERVICES: 126/APPLIED FOR SOCIAL WELFARE SERVICES: 155)

**% of Survivors (Nos.) who received Legal Services** 44% (SERVICE RECEIVED LEGAL SERVICES: 20/APPLIED FOR LEGAL SERVICES: 45)

It shows that 45 survivors needed legal support, while 20 received the same. The same figures for Social Welfare services stand at 155 and 126; meaning out of 155 survivors who sought one or more types of Social Welfare services – 126 received one or more Social Welfare services.
